

Pitch deck

(English) VOWAS simple Pitch Deck: v_10_13_2021

Access the most updated **Pitch Deck** versions here:

<https://www.vowas.org>

Step 1) Activate your VOWAS: <https://www.vowas.org/yes>

Step 2) If you're a business owner or high level director, activate VOWAS for your organization: <https://www.vowas.org/aces>

After Step 1 (and, if applicable Step 2 from above), review emails for confidential disclosures.

VOWAS

competitors

Credit Card companies,
independent loan agencies,
and etc. who require you pay
interest on amounts borrowed

Insurance programs and/or group
benefits programs who require
you pay a fee to access a
relatively small amount of
benefits

Capital facilitators such as the
Small Business Association,
banks, financial organizations,
and independent lenders who
require you leverage your
asset(s) and/or credit in order
to access funds

VOWAS investors retaining profit

4.95% up to 9.95% of an individual household's (or, if single with no dependents, an Independent Member's) ongoing total monthly values utilized or transacted are withheld to pay for the costs of VOWAS and associated service providers (Enterprise contracts are issued to third party providers via <https://www.vowas.org/excel.html> and <https://www.usbca.online>). Of those withholdings, from 3% to 1% are withheld specifically for VOWAS.

VOWAS.org

United States of America (USA)

~1 80 million
workforce members in
the USA*

Global**

~1.7 billion
workforce members
globally*

*if the data is factually and truthfully accurate, and not including those who work as independent contractors and who will associate their work activity to at least one organization in order to access VOWAS

BY THE END OF 2025
